## Fees, Charges and Remuneration Schedule

### FEES, CHARGES AND REMUNERATION

You may pay StoneBridge Group a fee depending on the type and level of services required, the exchange upon which the transaction is to be conducted (if any), the frequency and volume of transactions executed, the products you choose and the amount you invest. In particular, StoneBridge Group may receive fees and other benefits from the financial products that it issues to you. There are no direct fees or charges for the Platinum, Desk Trade or Private Advisor Services charged by AFMS these are incorporated into the dealing fees and charges charged by StoneBridge Securities.

If StoneBridge Group is principal to the transaction i.e. the party with whom you are transacting, it does not charge a commission or a brokerage fee but the price of your contract may take into account the costs and profit to StoneBridge Group and in addition a trade fee and a ticket fee may be charged.

A trade fee is calculated on the transaction's full face value. A minimum trade fee may apply if the calculated trade fee is less than the minimum trade fee.

A ticket fee may be charged if the transaction's full face value is below the ticket fee threshold.

The fees are charged in the same currency as the denominated currency of the transaction.

Refer to the Fees, Charges & Remuneration Schedule for details of the cost for each financial product traded.

The Referral Fee may be paid in the form of an upfront selling fee and/or periodic trail fees.

StoneBridge Group may receive cash fees and commissions from the issuer of financial products including if StoneBridge Group secures applications from its clients for financial products in respect of new issues or placements.

The upfront commissions may range from 0% to 5% (GST inclusive) of your investment amount. These fees may also be received by StoneBridge Group during the period in which you participate in the scheme or maintain your investment in the products (trailing commissions).

The trailing commissions may range from 0% to 5% (GST inclusive) of your investment amount. Such fees may be calculated by reference to the amount of money invested in the scheme or product from time to time.

If you have an amount owing to StoneBridge Group which has not been paid, StoneBridge Group may charge interest on that

outstanding amount at the rate according to agreements with you or, if not specified, at the rate equal to StoneBridge Group's prevailing debit interest rate, which is generally the reference rate charged to StoneBridge Group plus 2.5% p.a. Information on the current interest rate is available on request.

Additional fees may be charged for transactions and services including but not limited to International Telegraphic Transfers, Bank Cheques and Administration Fees and Charges for the alteration of investments prior to maturity or early withdrawal.
